***Dr. Sudderth awarded certification in
behavioral neurology and neuropsychiatry***

FORT MYERS, FL (January 22, 2009) – David B. Sudderth, M.D., board certified in neurology, pain management and disability medicine, was awarded subspecialty certification in behavioral neurology and neuropsychiatry from the United Council for Neurologic Subspecialties. He was also recently certified with a subspecialty in headache medicine.

Dr. Sudderth's practice, Florida Spine and Brain, is located at 20 Barkley Circle in Fort Myers and the Greentree Professional Center in Naples. The practice focuses on back and neck pain, workers' compensations injuries, migraines, headaches and chronic pain. Dr. Sudderth's professional, bilingual staff includes neuropsychologist Dr. Mabel Lopez.

Dr. Sudderth has practiced in Southwest Florida for more than 20 years, and is a Fellow of the American Academy of Disability Evaluating Physicians (AADEP) and is a diplomate of the American Academy of Pain Management and a diplomate of the American Academy of Neurology. Dr. Sudderth has co-authored several self-help guides published in the United States and abroad. Dr. Sudderth's *The Headache Cure* was recently published in a Portuguese edition.
